

An Adirondack Adventure at The Stony Creek Ranch Resort 3 Days/2 Nights

The Stony Creek Ranch Resort is nestled in the valley along the upper reaches of the Hudson River and tucked in amongst the Adirondack Mountains. Your students will have the opportunity to experience the great outdoors, participate in team building events, learn of local flora and fauna, develop leadership skills and have fun all at the same time. Daytime activities include horseback rides, animal identification nature walks, canoe rides and plenty of time to swim in the pool. The evenings shed a new light with star gazing, outdoor movies and pizza parties. Treat your students to a most memorable, fun and educational class trip!

Day One, Friday, June 1:

- Arrive at Stony Creek Ranch about 10:00 am.
- Upon arrival, meet your guide and embark on a nature walk along the trails that surround the ranch. Your guide will orient you to the sights and sounds of the forest and identify different animal markings along the way.
- By this time you will have worked up an appetite. Gather in the dining hall where the staff has rustled up a hearty lunch.
- After lunch, saddle up and witness the beauty of nature on horseback! Join an experienced wrangler who will lead you on a trail ride through the woods and on to the banks of the Hudson River.
- Late afternoon, check into your rooms and settle in.
- During the remainder of the afternoon you may meet some new friends at the petting zoo, visit at the gift shop, swim in the indoor or outdoor heated pools or unwind on the beach. You may also take out a canoe or a rowboat, if accompanied with a chaperone.

- Gather in the dining hall for a family-style ranch dinner.

- After dinner, take your seat for a “Movie Under The Stars”, shown on a large outdoor screen. Intermission features freshly-baked pizza!

Day Two, Saturday, June 2:

- Good mornin', partner! Gather around the campfire and join the cowboys for breakfast! Learn about the life of a cowboy as you share breakfast on the range.
- After breakfast, saddle up and head out on a new trail with your guide for another horseback ride.
- Lunch is served in the dining hall after your ride.
- This afternoon, participate in a hands-on class led by members of the Adirondack Folk Art School. You will create a souvenir to take home.
- Late afternoon, hop on for a traditional hay ride. The team of horses will take you on a trip around the property.
- When you return from the ride, you will have time to enjoy the other activities available to you. Challenge your schoolmates to a basketball or volleyball game, dive into the pool, paddle a kayak or walk on the beach.
- In the dining hall, dinner will be ready and waiting for hearty appetites.
- Later this evening, gather around the bonfire and enjoy melt-in-your-mouth 's'mores!
- There is nothing more beautiful, peaceful and magical than a sky full of stars. Join an expert and witness a galaxy of twinkling lights through a high power telescope and other stargazing instruments.
